# Dear Answer Man...

**P**LEASE TELL me if Jackie Gleason is married, and how many children he has. How old is he?—Mrs. E. C., Harvey, Ill.

Jackie and his wife, Genevieve, have been separated—but not divorced—for 15 years. They have two daughters, Jerry and Linda, both married, and three grandchildren. Jackie will be 51 Feb. 26.

Jackie Gleason

Lucille Ball

Why doesn't CBS take crummy shows like *Lucy Ball* and *Andy Griffith* off the air instead of good shows like *Jericho*? It was the only show

on CBS I really liked—Jerry W., Chicago.

Somebody up there likes *Lucy* and *Andy*, obviously. We agree that *Jericho* was a pretty fair show, but CBS has crummier programs on the air than *Lucy* and *Andy*!

Is Gary Haynes, who plays *Chris Webber* in *Peyton Place*, really blind?—Christine P., Chicago.

No.

Please tell me if *Pat Buttram* of *Green Acres* is the same person who used to drive a jeep called "Buttercup" on the *Roy Rogers* show—L. M., Chicago.

You're thinking of *Pat Brady*, a member of the *Sons of the Pioneers* vocal group who later became the TV sidekick to *Roy Rogers*. Buttram performed the same function, that of a comedy partner, with *Gene Autry*.
