# finance companies hate us.

Checker Marathons are built to last . . . through more than one payment book. This is kind of tough on banks and finance companies, but it works out beautifully for Checker owners. A Checker Marathon is built like it may never go out of style! Built with taxi-proven, beefed-up parts in springs, seats and dozens of stress areas. And a Checker is built for comfort. Doors that open high and wide so you can enter and leave with ease and dignity. A Checker Marathon is a most unusual kind of car. You've got to appreciate the extra care and extra effort packed in each car to insure your safety and comfort before you can really understand why a Checker is built better . . . to last longer.

# DEAR ANSWER MAN

**MY FATHER** says that Forrest Tucker of F Troop played in the stage version of "The Music Man" in Chicago a few years ago. I say not. Who is right?—Bob E., Chicago.

As usual, father knows best!

\* \*

I would like to know a few things about Peter Brown who plays Chad Cooper in Laredo. His age, his wife's name, children, what movies he has played in, and where can I get a picture of him? I am nine and have a crush on him—Doris G., Chicago.

Well, we're sure Peter would be flattered to hear about your affection, Doris, but we're afraid he's a bit old for you. Brown is in his mid-thirties, and married to former model and cover girl Sandra Edmundson. They have a son, Matthew Peter, born Nov. 10, 1965. Peter's film credits include "Summer Magic," "A Tiger Walks," "Ride the Wild Surf," and "Kitten with a Whip." On TV he has also appeared in Wagon Train and The Virginian, as well as his Lawman series. For the photo writing him c-o Laredo, NBC-TV, 3000 W. Alameda, Burbank, Cal.

\* \*

How about listing the top ten TV shows again? I know you've printed them before, but they keep changing—Mrs. E. L., Chicago.

Indeed they do! The latest Nielsen has Andy Griffith on top, followed by Bonanza, Dean Martin, Red Skelton,

PETER BROWN

the Smothers Brothers, Family Affair, Gomer Pyle, Lawrence Welk, Ed Sullivan, and the Lucy Show, in that order.

\* \*

My favorite show is I Dream of Jeannie, and Barbara Eden is my favorite star. Now my brother claims it is going off the air. Is this true? Please say it isn't—Alice C., Bellwood, Ill.

Don't fret, Alice. The gorgeous genie will be back next season, but at a different day and time. Jeannie will be seen Tuesdays at 7:30 p. m.

I would like to know if Ben Gazzara is married, has any children, and how old he is—Peggy H. South Chicago Heights, Ill.

Gazzara is 37, and married to Actress Janice Rule. They live in West Los Angeles with their two daughters; Kate, ten, Janice's child from a previous marriage, and Elizabeth, seven.

\* \*

Could you please tell me if The Avengers will be back next season? I sure hope so. It's my favorite program—Patti W., Park Ridge, Ill.

After being tentatively scheduled for next season, The Avengers has now been dropped by ABC-TV. Perhaps it's just as well, because we hear that Diana Rigg has asked out of the series, and it just wouldn't have the same a-Peel.

\* \*

We saw the movie "Back Street" on TV recently, and wondered what book the film was based on, and who was the author. Can you help us?—Mrs. Anne R., Skokie, Ill.

"Back Street," by Fannie Hurst.

DIANA RIGG

I have heard that many movie stars change their names, so will you please tell me the real names of Rock Hudson and Robert Taylor?—Mike D., New Lenox, Ill.

Hudson was born Roy Fitzgerald, and Taylor's real name is [would you believe?] S. Arlington Brugh.

\* \*

I would like to know the name of the theme song on the Secret Storm serial on channel 2. And is it available in the music stores?—Mrs. D. C., Oak Park, Ill.

It's titled The Secret Storm, and was written by Charles Paul, the organist on the program. It has not been recorded commercially.

Any TV questions? Comments? Gripes? Write the TV Answer Man, Chicago's American, 445 N. Michigan av., Chicago, Ill. 60611.
