## It begins. Tonight.

ABC is proud to present  
Irwin Shaw's magnificent  
Rich Man, Poor Man.

More than a best-selling novel put to film, it's the gripping story of our time. And the human drama of two brothers who grappled with its turbulence. And loved its women.

It reaches from the loveliest emotions human beings can feel to the ugliest.

From wealth you can measure to the kind you can't. It's a giant story of love. Lust. Ambition. Greed. It spans three decades. Two wars. Four presidents.

And this is why, for the first time in history, a motion picture will be presented in nine episodes: tonight, tomorrow night, and then for seven consecutive Monday evenings.

## Rich Man, Poor Man.
