there is a big difference!

**ORDINARY
WATER**

Found in rivers, lakes or wells (to name the most common sources).

Quenches your thirst but not clinically proven as an aid to your health.

Often exposed to pollution and **MUST BE PURIFIED BEFORE USE.**

May be high in sodium (salt) content . . . of particular interest to those on a low sodium (salt) diet.

Usually taken for granted (as much as the air we breathe).

**MOUNTAIN VALLEY
WATER**

Comes from one spring near Hot Springs, Arkansas.

Specifically, **AN AID TO HEALTH!** Extensive clinical investigation proves the recommended daily amount will increase kidney action. Naturally pure and **NEVER EXPOSED TO POLLUTION.** Bottled with great care to preserve purity and freshness.

CONSTANT LOW SODIUM (SALT) CONTENT of less than three parts per million . . . virtually salt-free.

SOMETHING SPECIAL! The finest water you have ever tasted! **RECOGNIZED AS THE BEST DRINKING WATER FOR ALMOST A CENTURY!**

Perhaps you have not experienced the pleasure and benefit known by thousands who make **MOUNTAIN VALLEY WATER** their daily health-habit. **DO SOMETHING ABOUT THAT TODAY!** Call for complete information, home delivery and *let us make literature which is yours for the asking.* Doctors everywhere use and prescribe Mountain Valley Water. Ask your doctor. **DELIVERED TO YOUR DOOR.**
