Roland asks,

"How many people will my Sun-Times/Daily News want ad reach?"

More than 2,358,000 Chicago and suburban adults read the Sun-Times and Daily News every day. Of this number, 456,000 are women 35 and under, and 387,000 are men 35 and under—over 840,000 Chicago and suburban adults who are your best want ad readers and users.

Since more than 892,000 Chicago area families receive The Sun-Times and Daily News every day, there are untold thousands of pre-teens and teenagers who are important Person-To-Person want ad readers, too.
