Sylvia asks,

"How much does a Sun-Times/Daily News want ad cost?"

Much less than you probably think. Rates differ according to the number of insertions you order. For most people, though, your best rate deal is a Person-To-Person want ad. It only costs \$7 when you use two lines in both newspapers for four days. And a full week is only \$11.

Every Sun-Times/Daily News Person-To-Person want ad reaches more than 892,000 Chicago and suburban families every day . . . over 3½ million "impressions" with each ad that runs for four days. It doesn't take a math whiz to see how much of a bargain our want ads are. And, best of all, they work!

Sun-Times/Daily News Person-To-Person Want Ads

2 lines, 4 days, 2 newspapers, \$7
Full week for only \$11.
