I EAT WORMS!

AND AM HEALTHIER FOR IT

Did you know that for the past 20 years the supply for earthworms has not been able to meet the demand! Because of its many uses:

FISHING BAIT • ORGANIC WASTE • SOIL IMPROVEMENT • AND A VALUABLE POOL SUPPLEMENT

NOW YOU CAN CONVERT YOUR SPARE SPACE INTO INCOME.

Our business is the raising, wholesaling and retailing of earthworms.

To accommodate the ever growing billion dollar market we find we need the help of a network of earthworm growers with the knowledge necessary to raise and harvest earthworms for PROFIT AND ECOLOGY.

YOU GROW THEM, WE BUY THEM WE OFFER A BUY-BACK PURCHASE AGREEMENT FOR ALL YOUR PRODUCTION

the amount of time involved to feed, water and aerate your worms is nominal. Very little space is needed to begin and there is no odor. **NO MANURE IS USED.**

The profit potential is so great that with a minimal investment of \$95⁰⁰ you could be earning \$700 a month.

The World Wide Program will:

- Provide for a better life.
- Afford those luxuries you have always wanted.
- Help you achieve financial independence and security-free from worry about lay-offs.

AN INVITATION

We invite you to visit our Chicago facility and see how our growing program works. There is no obligation for a tour. Help us help you by making an appointment.
