How many
slender
women
REDUCE
size of
HIPS
without
losing
weight.

• Are you slender, yet bothered by bulging hips? You don't want to lose weight. But you do want to reduce the size of your hips... or waistline... or abdomen.

• **NOT WEIGHT LOSS!** Chances are much of that bulging is caused by lax muscles. And chances are that when those muscles are exercised they'll "hold-you-in" more. And that's how Relax-A-cizor works. It tones and exercises the muscles of your "natural girdle"—but **WITHOUT WORK!** You use it while you REST luxuriously—at home!

PHONE NOW!

STate 2-5680

• **COMPLETELY DIFFERENT!** Relax-A-cizor is completely different. It is NOT a couch. Not a bicycle. No heat. No vibration or massage. Delightfully different!

• **IT'S A FACT!** Relax-A-cizor, used regularly (for only ½ hour a day) usually reduces the size of hips, waist, abdomen and thighs measurably — to the extent your muscles lack tone due to insufficient exercise. And usually, too — the less your muscle tone the greater the degree of your size loss!

DEAR ANSWER MAN

MY FAVORITE show is *Lost in Space*. How is it doing in the ratings against that idiotic *Batman* series?—R. J., Waukegan, Ill.

It got zapped! Both the Wednesday and Thursday segments of *Batman* landed in the top ten. *Lost in Space* slipped to 16th.

What is John Wayne's real name? — Tommy W., Park Ridge, Ill.

Marion Michael Morrison.

Which TV program is in the very last place in the ratings?—Joseph M., Chicago.

The dubious honor belongs to CBS-TV's *Trials of O'Brien*.

I would like to give the producers of *Long, Hot Summer* some advice on how to improve their show. 1. Bring back Edmond O'Brien; 2. Return it to Thursday night; 3. Bring back Edmond O'Brien; 4. Give Ruth Roman better parts; 5. Bring back Edmond O'Brien; 6. Shoot Dan O'Herlihy; 7. Bring back Edmond O'Brien; 8. Lengthen it to 90 minutes; 9. Bring back Edmond O'Brien.—Mrs. J. M., Chicago.

We have another suggestion—how about bringing back Edmond O'Brien?

I have a \$5 bet with my husband. He claims George Raft is dead. I say he is still alive and close to 70. Who is right?—Marcia J., Chicago.

Raft is 68. The last we heard of him he was working as the greeter in a British gambling establishment. And probably flipping a shilling or something!

EDMOND O'BRIEN

CAROL LAWRENCE

MAX BAER JR.

I have a bet with my sister that Robert Goulet is married to Carol Lawrence. She says I'm wrong. Who wins? — Susan K., Streamwood, Ill.

You do!

Is Honey West going off the air? How does it stand in the latest Nielsen rating?—Kathy M., Melrose Park, Ill. Honey West's future is in doubt, altho it will probably

last out the season. The latest Nielsen placed Honey in 90th place.

Please send me all the information you have on the Nite Lites. I need it for a school report. P.S. I hope you know that the Nite Lites are a group. — Linnæ A., Cary, Illinois.

Group of what?

Has the Danny Kaye movie "Up in Arms" ever been shown on television? — Mrs. Ann J., Chicago.

No. The rights are owned by CBS. The film has not yet been scheduled.

When did Superman die? — L. L., Chicago.

George Reeves [*Superman*] died by his own hand June 16, 1959, at the age of 45.

Could you please tell me what the average salary is for the hosts of game shows, such as Gene Rayburn's for *Match Game* and Allen Lud-

den's for *Password*?—Mrs. A. S., Chicago.

Salaries vary considerably, depending on whether the show is daily or weekly, and whether it is seen during the day or slotted in prime evening time. And all salaries are well-kept secrets. However, it's safe to say that the salary for the host of ANY game show runs well into four figures.

Will you please settle a little argument. Is the Swedish accent of the girl who co-stars on *Flipper* real or is it affected? — Mrs. Jane H., Chicago.

It's real! Lovely Ulla Stromstedt was born and raised in Sweden. She was studying art at the University of California when discovered by *Flipper* Producer Ivan Tors.

Would you please tell me how old Jerry Lewis is. My sister says he's 45, and I say he's 35. Who is right? — Michele F., Oak Lawn, Ill.

You're both wrong! Jerry is 40.

Is Jethro of the Beverly Hillsbillies the son of the old-time prize fighter, Max Baer? John L., Chicago.

Yes. But we prefer not to place his late father in the "old-timer" class. We remember him too well. And where would that put us?

Any TV questions? Comments? Gripes? Write the *TV Answer Man*, *Chicago's American*, 445 N. Michigan av., Chicago, Ill. 60611.
